JOHNNY WONDER

Q. WHAT IS THE
ORIGIN OF THE
UMBRELLA?BECKY STEWART,
OF SANTA ROSA, CA.,
WINS A PRIZE FOR
THIS QUESTION.A. It seems natural
to put up an
umbrella to
keep off the rain. But actu-
ally, the umbrella was not
invented as protection
against rain. Its first use
was as a sun shade.
Umbrellas have been used
since ancient times in such
countries as Greece and
Egypt. At first, the umbrel-
la was used only by very
important people. Slavesheld umbrellas over the
heads of their masters to
keep off the hot rays of the
sun. As the use of umbrel-
las spread to other coun-
tries, people living in wet
climates discovered that
umbrellas made good pro-
tection against rain, too.You can win a World Almanac
if your question is select-
ed. Send your name and age to
JOHNNY WONDER, c/o
the newspaper, P.O. Box
1350, Santa Cruz, CA 95061.
